## About our FNCC

FNCC has been in the forefront in encouraging, the development & promotion of various games & sports such as Billiards, Tennis, Shuttle Badminton, Swimming, Squash & Yoga.

The game of "Bridge" is truly an intellectual game which helps to boost the immune system and stimulates brain activity. "Bridge" provides an opportunity to develop critical attributes such as concentration, memory, zeal, competitive spirit, critical thinking, inferential reasoning, rapport with partners etc., which are required for achieving efficiency and excellence. There is no other beautiful game other than Bridge that shows us so clearly the fathomless powers of the human brain.

Recognizing the virtues of the game and with an intention to popularize the sport in AP & Telangana in particular and in India in general, FNCC had given boost to the development & promotion of the game by conducting All INDIA OPEN BRIDGE CHAMPIONSHIP for the first time in the year 2010 which was a tremendous success and widely acclaimed by one and all. Players from all over India participated and they were bowled over by the remarkable Hospitality bestowed on them by esteemed FNCC Members. The Bridge Championship awarded at the FNCC was recognized as the best championship conducted in INDIA and ever since FNCC made it an annual affair. Year after year the Bridge Fraternity across INDIA paid great tributes and conveyed their Heartfelt Gratitude to the Management Committee of the FNCC.
