

Lt. Kr. Murli Manohar Goel [1916 – 1964]

Lt. Kr. Murli Manohar Goel ji took up the baton at a young age to carry forward the vision and legacy of his father. Even in face of a youth spent in comparatively difficult circumstances, his indomitable will overcame many challenging phases and successfully turned around the fortunes of the Dhampur factory.

He was extremely observant and had a razor-sharp intellect. With such attributes and a great card sense, he was also a formidable Bridge player.

He passed away at the young age of 48 but the path for the future generations had already been etched.
