This policy has been formulated by the members of the nominated Ranking Committee (a subset of technical committee) of Bridge Federation of India upon instructions of Executive committee of Bridge Federation of India.

The Ranking Committee has undertaken several inputs as guided by the previously announced Ranking policies of the years from 2022-2024 with the recent selection committee appraisal of performance of the athletes at 16th World Bridge Games, Argentina as well past performance at Asian Games 2023 in addition with the suggestions given by the appointed coaches of BFI.

It is extremely important for the federation to strongly work towards achievement of the targets given in the TOPS scheme of SAI for all projected calendar years. BFI aims to implement measures to develop the evaluation process of performance of athletes and given proper exposure and training. Recently, there has not been satisfactory performance in all sectors as noticed during 2023 calendar year as well in the current year at 16th World Bridge Games except for the Indian Seniors team which achieved Silver medal.

As recommended, the focus area of the current policy is to strengthen the ongoing process of selection through more phases of coaching camps and selecting a core of probable based on performances at these camps and impart online coach training. However, these stated guidelines will also be applicable to any and all future competitions.

The committee reserves the rights to modify the policy at a later date, said modifications will be widely published on BFI website as well as other communication channels, and the applicability of these modifications will be clearly defined.

The policy aims to establish the following:

- Time bound performance evaluation criteria
 - Period of evaluation
 - Respective weights of periodic performance (emphasis on more recent performance)
- Events to be considered for purpose of evaluation
- Respective weights of events considered
- **Ranking points for any Team with more than 2 foreign/OCI players will be void whether in domestic or international events. There must be at least 2 pairs having Indian passport.**
- Qualification benchmarks for various categories
- Process and procedure to be followed during selection trials
 - When the target events include men's category but not open
 - When the target events include open category but not men
 - When the target events include both (in same or different events)

- Mr. Debasish Ray, Hon. General Secretary, BFI
- Mr. Anand KS Samant, Eminent Player
- Mr B Prabhakar, Eminent Player
- Mr. Shantanu Rastogi, Invitee
- Mr. MBV Subrahmanyam

National Coach Advisors:

- Mr. Vinay Desai (National Mixed Coach)
- Mr. S Sundarram (National Men Coach)
- Mr. Anal Shah (National Women Coach)
- Mr. Girish Bijoor (National Seniors Coach)

D. Scope

- This policy will be applicable to Open/Men, Women and Mixed and Seniors Categories.
- Most performing exceptional Girls and boys from junior’s category will be included in the above list as per recommendation of Juniors Selection committee.
- Players to be selected for Juniors World Championship for Juniors and Sub Juniors will be dealt separately with a **separate Ranking Point Scheme**
- As per the guidelines, the terminology used “**athlete**” as defined by the MYAS and SAI mean a single identity, thus, in Bridge it would be “**pair**”.

E. Performance Evaluation

The process of performance evaluation is quantified by awarding ranking points to participating athletes based on the performance in the scheduled events over an extended period.

- Points are awarded exclusively for partnerships only. **However, individual players forming new partnerships can avail 30% of the highest-ranking points awarded to him in any partnership based on the total ranking points published for the respective selection cycle in contention. The average of both the total ranking points calculated above will be actual ranking point awarded for that respective pair.**
- In case where team is of 5-members, the eligible pair will be the one, which plays maximum number of boards in combination wherever possible to be determined or fulfilment of minimum playing quota and declared by such pair to be eligible.

1) Performance period

For purposed of evaluation of performance the performance period will be as follows

- a) **In case the selection trials are scheduled to take place in first half of calendar year (till 30th June) Calendar Year mean starting from 1st April to 31st March for that year**

Total Period of consideration – **Two full calendar years** immediately preceding the year of selection trials + **the year of selection trials up to the notification and invitation of entries.**

All events held prior to invitation of entries held in the calendar year of trials will be considered. To emphasise the performance in more recent period, a weightage formula will be applied as per the table below:

Definition – Calendar year of Trials = TYYY

Period of consideration	Factor of ranking points earned in the period
Partial Year (TYYY, up to invitation of entries)	100%
TYYY -1 (Immediately preceding year)	100%
TYYY -2 (One year prior to trials)	50%

Any Ranking Point event calculated in the current PARTIAL year at 100% weightage will be reduced to 50% weightage in the next year for those who have availed the full benefit initially (the pair should be in the qualifying list of eligible pairs. Participation or non-participation in selection trials is irrelevant). This option is irreversible.

Similarly, any event ranking points held in TYYY-1 if considered in previous selection trials will be reduced to 50% for the current calculation of Ranking points for those qualified pairs. However, if a player/pair who is currently qualified in current selection trial was ineligible in the previous qualifying of selection trial, then such individual/pair will attain 100% weightage of ranking points for Partial Current year as well for ranking points year earned in TYYY-1 year.

2) Scheduled Events

a) International events:

- Events organized under the auspices or by World bridge Federation where representation is by NBO (BFI selects the team). ***Open international events where players participate on their own are not considered for awards.***
- Zonal events Asia Pacific Bridge Championships (ABPF – Zone IV, VI & VII) – ***held once in 2 years (only team events).*** Competitive nations in Asian Games
- BFAME Championships (Zone IV) where Indian teams participate after selection trials or nominated by selection panel of BFI.
- **International Recognized Events by WBF (only LIVE events)– World Bridge Tour and under OCA (Olympic Committee of Asia)** in which INDIA is recognized as a member nation or is invited due to performance achievement for which the trials are conducted or the team is nominated by selection panel of BFI.

b) National Championships organized under auspices of BFI

c) All India National Events of selection berth – Category A events

d) Zonal Events

e) Specific designated ranking events exclusively for Mixed or Ladies Categories (Cat A or Cat B)

Ranking Point Weightages

- The specific events, their weightages and awards are defined in Annexure 1
- The BFI reserves the right to add or remove any event from the designated event list.
- The BFI reserves the right to modify the weightages of ranking point awards to any scheduled event.
- Starting with April 01, 2022, pairs events will be awarded at 50% of the ranking points award for corresponding team's event for Men/open events only. However mixed and ladies pairs event will be awarded at 25% of the ranking points for main teams event wherever applicable subject to minimum ranking points as provided for Cat B events.
- The ranking points for HCL International event will have weightage of 90% of BFI Federation events w.e.f. from 1-1-2023
- All teams or pairs attaining the same rank will be awarded the average of ranks of all such positions. e.g. teams finishing in 5-8 position, if they all have these ranks by way of being losing quarter finalists, will be awarded the average of 5th, 6th, 7th and 8th position respectively.

F. Qualification benchmark for selection trials

At the time of invitation of entries, the total Ranking Points of all Pairs as per their performance in the respective events will be consolidated and computed with due application of weightage formula defined above. From the overall list, the following will be invited to participate in the selection trials in their respective category:

- 1) **Open Category – Top 24 Ranked Pairs with 4 reserves**
- 2) **Mixed Category – Top 20 Ranked Pairs with 4 reserves**
- 3) **Women Category – Top 12 Ranked Pairs with 4 reserves**

***The above qualification will be subject to approval by the SAI sanction process**

There will be no additions to the above list in any category in case of any dropouts.

- In case where the target event has men's category but not open, top 24 men's pairs will be invited from open list.
- In case where the combined trials are held for open and men's category, top 24 pairs from open list will be invited.
- Except where one or both members of a partnership are deceased, all partnerships will be fully recognized for consideration of the qualifying list and multiple partnerships will be considered legitimate for computation of the qualifying list.
- As per National Sports Code, BFI Selection Committee reserves the right to invite any additional pairs not in above stated qualifying benchmark list based on exceptional performance provided such pairs have undergone training for at least 180 days with any BFI accredited national coach. Such pair will be awarded ranking points equivalent to half of the median ranked pair eligible to participate in the respective trial.
- In case there is a change in the partnership and both players are selected as per qualification benchmark within their category with some other players as partners, the changed partnership can participate in the trials subject to BFI approval. However, they will carry average of the ranking points at 30% of their highest ranking points in any partnership as explained in point no. (E) above.
- BFI reserves the right to prohibit a player from participating in the selection trials provided it finds unfit on any of the following grounds. In such cases the constituent pair will get eliminated
 - Case with disciplinary committee, past and present record, Player not in good standing with federation
 - Physical and health reasons - duly assessed by Medical officer of BFI
 - Past records and unfavourable report by of Coach, NPC while representing India.
 - Misbehaviour at Coaching camps and reported by Coaching Camp director and Coach
 - Absence at Coaching camp
 - Unfit under NADA

G. Process and procedures at the selection trials

These procedures refer to Open/Men, Mixed and Ladies categories. The senior trials will be based on team format with entries to be invited.

The selection trials will be held live under guidelines issued by SAI in form of evaluation of coaching camps and competitions. The camps will consist of Elimination and Final stages. The number of elimination stages, and qualifications will be based on number of actual entries, based on the following table:

No of Entries	25-28	19-24	Upto 18
Format	Two elimination rounds Elim 1 -> Elim 2 : 12 to 16* Elim 2 -> Finals : 8	Two elimination rounds Elim 1 -> Elim 2 : 12 to 14 Elim 2 -> Finals : 8	One elimination round Elim -> Finals : 8

** Depending upon the list of entries received for the categories*

Weightages will be given to camp performance, ranking points will be based on the table below:

Stages (Men/Mixed/Women)	VP Score	Win / Loss Ratio	Ranking Points Weightage	Carry Forward Points (1 st Elim)	Carry Forward Points (2 nd Elim)
Elimination – 1	70 Points	10 points	20 points	NA	NA
Elimination – 2	65 Points	10 points	15 points	10 points	NA
Final	70 Points	10 points	10 points	NA	10 points

Note:- For the purpose of calculation of carry forward score, the camp performance for each pair will be sum of points awarded for VP score + win loss ratio + carry forward from previous stage if any. The highest point earner will receive 10 points and other pairs will be proportionately awarded as per their camp performance score to the highest leader.

H. Selection of team

OPEN CATEGORY:

The camp will consist of preliminary and final league. The preliminary league may consist of one or two eliminations based on entries received while the final league will consist of 8 top ranked pairs from the last elimination round of the preliminary league. The format in the final stage is proposed as follows:

In case Men and Open teams are selected via a common trial, the following process will apply:

1. Top 3 pairs + 1 reserve pair irrespective of gender will form part of Open Team
2. Top 3 men pairs 1 reserve pair will form part of Men's Team.

The top 3 pairs along with pair #4 as first reserve will constitute the selected team. The selected team and the reserve pair will undertake to follow and attend any coaching and training program devised by BFI. Lack of preparation or discipline during the training program can lead to the coaches making a recommendation to substitute the selected pairs with next reserve.

MIXED AND WOMEN CATEGORY:

The top 3 pairs along with pair #4 as first reserve will constitute the selected team. The selected team and the reserve pair will undertake to follow and attend any coaching and training program devised by BFI. Lack of preparation or discipline during the training program can lead to the coaches making a recommendation to substitute the selected pairs with next reserve.
